ENGINEER DRAWING BASELINE | 110' x 60' | GIRLS HOSTEL 46 BEDS | Geometry unchanged

LOCKED / CURRENT

## FIRST FLOOR / DESIGN LOCK

Girls Hostel / 46 Beds  
10 x 4-Bed + 1 x 6-Bed

- F-R01-07 / 09-11 4-Bed
- F-R08 6-Bed (20 ft module)
- F-W01 / F-W02 Wet zones
- F-ST01 Central stair
- F-C01 Main corridor

## FURNITURE

4-Bed = 2 double-level pod modules.  
6-Bed = 3 double-level pod modules.  
Personal lockers kept near room entry.  
Corridor stays visually clear.

## MATERIAL

Warm white + natural wood + charcoal.  
Wet zones = calm matte stone texture.  
6-Bed room uses same boutique language.

## LIGHT

Room: general + reading + night layer.  
Corridor: repeated calm light rhythm.  
Wet zone: brighter vanity emphasis.

## WAYFINDING

Floor identity anchored at central stair.  
Room IDs read from corridor approach.  
West / East wet zones clearly separated.
